3. SCOPE OF WORK

The fiscal agent requested in this proposal shall be responsible for collecting revenue from the telecommunication service providers at a rate set by the PUCN, depositing these revenues into the NUSF and distributing these revenue funds from the NUSF as prescribed by NRS 704.040.

3.1 Role of Fiscal Agent

- 3.1.1 Conduct audits when necessary, of contributors to the fund, to ensure that correct payments are being remitted by the providers of the telecommunication service.
- 3.1.2 Verify the qualifications of applicants that request support from the NUSF fund.
- 3.1.3 Collect assessments from each telecommunications provider and deposit the funds into the NUSF.
- 3.1.4 Disburse monies from the NUSF to providers of telecommunication services that qualify for funding in accordance with NAC 704.6804 to 704.68056 inclusive and with any applicable orders from the PUCN
- 3.1.5 Prepare and submit a quarterly report of all activities of the NUSF including but not limited to:

- a) Total annual payments into the NUSF from each provider of telecommunications services; and
 - b) An itemization of all disbursements from the NUSF to each qualified telecommunications provider.
- 3.1.6 Prepare and submit a request to the PUCN to collect and distribute monies from the NUSF for the following year and:
- a) Estimate the amount of funds required to support the NUSF for the next year;
 - b) Suggest the percentage rate which shall be applied to the intrastate retail revenues of all telecommunication service providers; and
 - c) Generate the estimated funds required for the next year.

3.2 Supported Programs

The purposes of the NUSF are set forth in NAC 704.68043

- 3.2.1 Ensure that rates charged by a provider of basic service do not adversely affect universal service within all or a portion of the area served by that provider.
- 3.2.2 Provide funds to facilitate the extension of basic service to customers not currently offered telecommunication services, and to improve basic services to the extent that other viable solutions or options are unavailable to provide or improve said services.
- 3.2.3 Provide funds to ensure that persons of low income and persons in rural, insular and high cost areas have access to available telecommunication services that are reasonably comparable in rates to those rates charged in urban areas. This program is subject to any limitations of the NUSF imposed by the PUCN.
- 3.2.4 Provide money to ensure that public and private nonprofit health care providers in rural areas have access to available telecommunication services that are reasonably comparable in rates to those rates charged in urban areas. This program is subject to the extent that federal universal service support is unavailable pursuant to Code of Federal Regulations title 47: 54.500 to 54.517.
- 3.2.5 Provide funds to support discount rates for intrastate telecommunication services provided to eligible schools, libraries. This program is subject to the extent that federal universal service support is unavailable pursuant to Code of Federal Regulations title 47: 54.500 to 54.517 inclusive to fully reimburse those discounts. This program is subject to any limitations of the NUSF imposed by the PUCN.

3.3 The Universal Fund and the Fiscal Agent – General Information

- 3.3.1 To finance the programs attached to the NUSF, Nevada law allows for an assessment based on a percentage rate of anticipated revenues from retail

intrastate telecommunication services of all providers of said services. These providers are required to pay the estimated amount needed to fund the NUSF.

- 3.3.2 Approximately 500 companies will contribute quarterly to the NUSF. These include but are not limited to approximately 13 local exchange companies. There are also many companies selling insurance toll services, several wireless companies and many competitive carriers who offer local exchange services as well as companies that plan to do so in the near future.
- 3.3.3 The Fiscal Agent should be viewed as the hub of this system. Carriers collect the NUSF charges from their various customers and remit these amounts to the Fiscal Agent. The Fiscal Agent manages the NUSF cash flow, transfers funds as needed to eligible telecommunication carriers and other entities that may be entitled to receive the NUSF monies as outlined in the NRS and NAC statutes.
- 3.3.4 The NUSF charge rate is set annually by the PUCN. The PUCN's annual rates decision is based on fund projections, needs for programs and on the expected revenue of the carriers.
- 3.3.5 Proposers for Fiscal Agent may be an individual or an organization. The successful proposer must possess the ability to provide all the services listed in this RFP in a timely manner and to the State's satisfaction. These duties may also include auditing requirements in particular concerning compliance with the Generally Accepted Government Auditing Standards.

Costs of developing the proposal or any other such expenses incurred by the vendor in responding to the RFP, are entirely the responsibility of the vendor, and shall not be reimbursed in any manner by the State.
- 9.18 All proposals submitted become the property of the State, selection or rejection does not affect this right; proposals will be returned only at the State's option and at the vendor's request and expense. The master technical proposal, the master cost proposal and Confidential Information of each response shall be retained for official files. Only the master technical and master cost will become public record after the award of a contract. The failure to separately package and clearly mark Part III – which contains Confidential Information, Trade Secrets and/or Proprietary Information, shall constitute a complete waiver of any and all claims for damages caused by release of the information by the State.
- 9.19 A proposal submitted in response to this RFP must identify any subcontractors, and outline the contractual relationship between the awarded vendor and each subcontractor. An official of each proposed subcontractor must sign, and include as part of the proposal submitted in response to this RFP, a statement to the effect that the subcontractor has read and will agree to abide by the awarded vendor's obligations.
- 9.20 The awarded vendor will be the sole point of contract responsibility. The State will look solely to the awarded vendor for the performance of all contractual obligations which may result from an award based on this RFP, and the awarded vendor shall not be relieved for the non-performance of any or all subcontractors.

9.21 The awarded vendor must maintain, for the duration of its contract, insurance coverages as set forth in the Insurance Schedule of the contract form appended to this RFP. Work on the contract shall not begin until after the awarded vendor has submitted acceptable evidence of the required insurance coverages. Failure to maintain any required insurance coverage or acceptable alternative method of insurance will be deemed a breach of contract.

Notwithstanding any other requirement of this section, the State reserves the right to consider reasonable alternative methods of insuring the contract in lieu of the insurance policies required by the below-stated Insurance Schedule. It will be the awarded vendor's responsibility to recommend to the State alternative methods of insuring the contract. Any alternatives proposed by a vendor should be accompanied by a detailed explanation regarding the vendor's inability to obtain insurance coverage as described below. The State shall be the sole and final judge as to the adequacy of any substitute form of insurance coverage.

9.22 Each vendor must disclose any existing or potential conflict of interest relative to the performance of the contractual services resulting from this RFP. Any such relationship that might be perceived or represented as a conflict should be disclosed. By submitting a proposal in response to this RFP, vendors affirm that they have not given, nor intend to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant or any employee or representative of same, in connection with this procurement. Any attempt to intentionally or unintentionally conceal or obfuscate a conflict of interest will automatically result in the disqualification of a vendor's proposal. An award will not be made where a conflict of interest exists. The State will determine whether a conflict of interest exists and whether it may reflect negatively on the State's selection of a vendor. The State reserves the right to disqualify any vendor on the grounds of actual or apparent conflict of interest.

9.23 The State will not be liable for Federal, State, or Local excise taxes NRS §372.325.

9.24 Attachment B of this RFP shall constitute an agreement to all terms and conditions specified in the RFP, including, without limitation, the Attachment C contract form and all terms and conditions therein, except such terms and conditions that the vendor expressly excludes. Exceptions will be taken into consideration as part of the evaluation process.

9.25 The State reserves the right to negotiate final contract terms with any vendor selected NAC §333.170. The contract between the parties will consist of the RFP together with any modifications thereto, and the awarded vendor's proposal, together with any modifications and clarifications thereto that are submitted at the request of the State during the evaluation and negotiation process. In the event of any conflict or contradiction between or among these documents, the documents shall control in the following order of precedence: the final executed contract, the RFP, any modifications and clarifications to the awarded vendor's proposal, and the awarded vendor's proposal. Specific exceptions to this general rule may be noted in the final executed contract.

- 9.26 Vendor understands and acknowledges that the representations above are material and important, and will be relied on by the State in evaluation of the proposal. Any vendor misrepresentation shall be treated as fraudulent concealment from the State of the true facts relating to the proposal.
- 9.27 No announcement concerning the award of a contract as a result of this RFP can be made without the prior written approval of the State.
- 9.28 The Nevada Attorney General will not render any type of legal opinion regarding this transaction.
- 9.29 Any unsuccessful vendor may file an appeal in strict compliance with NRS 333.370 and chapter 333 of the Nevada Administrative Code.
- 9.30 Local governments (as defined in NRS §332.015) are intended third party beneficiaries of any contract resulting from this RFP and any local government may join or use any contract resulting from this RFP subject to all terms and conditions thereof pursuant to NRS §332.195. The State is not liable for the obligations of any local government which joins or uses any contract resulting from this RFP.
- 9.31 Any person who requests or receives a Federal contract, grant, loan or cooperative agreement shall file with the using agency a certification that the person making the declaration has not made, and will not make, any payment prohibited by subsection (a) of 31 U.S.C. §1352.

CONTRACT FORM

The following State Contract Form is provided as a courtesy to vendors interested in responding to this RFP. Please review the terms and conditions in this form, as this is the standard contract used by the State for all services of independent contractors. It is not necessary for vendors to complete the Contract Form with their proposal responses.

All vendors are required to submit a Certificate of Insurance in the “State Documents tab/section of their technical proposal identifying the coverages and minimum limits currently in effect.

Please pay particular attention to the insurance requirements, as specified in paragraph 16 and Attachment BB of the attached contract.

As with all other requirements of this RFP, vendors may take exception to any of the terms in the Contract Form, including the required insurance limits. Exceptions will be considered during the evaluation process.

Unless specified as above, the insurance minimum limits will be negotiated at the time the State issues a Letter of Intent to Award.

CONTRACT FOR SERVICES OF INDEPENDENT CONTRACTOR

A Contract Between the State of Nevada Acting By and Through Its

(NAME, ADDRESS, PHONE AND FACSIMILE NUMBER OF CONTRACTING AGENCY)

and

(NAME, CONTACT PERSON, ADDRESS, PHONE, FACSIMILE NUMBER OF INDEPENDENT CONTRACTOR)

WHEREAS, NRS 284.173 authorizes elective officers, heads of departments, boards, commissions or institutions to engage, subject to the approval of the Board of Examiners, services of persons as independent contractors; and

WHEREAS, it is deemed that the service of Contractor is both necessary and in the best interests of the State of Nevada;

NOW, THEREFORE, in consideration of the aforesaid premises, the parties mutually agree as follows:

1. **REQUIRED APPROVAL.** This Contract shall not become effective until and unless approved by the Nevada State Board of Examiners.

2. **DEFINITIONS.** "State" means the State of Nevada and any state agency identified herein, its officers, employees and immune contractors as defined in NRS 41.0307. "Independent Contractor" means a person or entity that performs services and/or provides goods for the State under the terms and conditions set forth in this Contract. "Fiscal Year" is defined as the period beginning July 1 and ending June 30 of the following year.

3. **CONTRACT TERM.** This Contract shall be effective from _____ subject to Board of Examiners' approval (anticipated to be _____) to _____, unless sooner terminated by either party as specified in paragraph ten (10).

4. **NOTICE.** Unless otherwise specified, termination shall not be effective until ____ calendar days after a party has served written notice of default, or without cause upon the other party. All notices or other communications required or permitted to be given under this Contract shall be in writing and shall be deemed to have been duly given if delivered personally in hand, by telephonic facsimile with simultaneous regular mail, or mailed certified mail, return receipt requested, postage prepaid on the date posted, and addressed to the other party at the address specified above.

5. **INCORPORATED DOCUMENTS.** The parties agree that the scope of work shall be specifically described. This Contract incorporates the following attachments in descending order of constructive precedence:

ATTACHMENT AA: STATE SOLICITATION OR RFP # _____ and AMENDMENT(S) # _____;

ATTACHMENT BB: INSURANCE SCHEDULE; AND

ATTACHMENT CC: CONTRACTOR'S RESPONSE

A Contractor's Attachment shall not contradict or supersede any State specifications, terms or conditions without written evidence of mutual assent to such change appearing in this Contract:

6. **CONSIDERATION.** The parties agree that Contractor will provide the services specified in paragraph five (5) at a cost of \$ _____ per _____ (state the exact cost or hourly, daily, or weekly rate exclusive of travel or per diem expenses) with the total Contract or installments payable: _____, not to exceed \$ _____. The State does not agree to reimburse Contractor for expenses unless otherwise specified in the incorporated attachments. Any intervening end to a biennial appropriation period shall be deemed an automatic renewal (not changing the overall Contract term) or a termination as the results of legislative appropriation may require.

7. **ASSENT.** The parties agree that the terms and conditions listed on incorporated attachments of this Contract are also specifically a part of this Contract and are limited only by their respective order of precedence and any limitations specified.

8. **TIMELINESS OF BILLING SUBMISSION.** The parties agree that timeliness of billing is of the essence to the contract and recognize that the State is on a fiscal year. All billings for dates of service prior to July 1 must be submitted to the State no later

than the first Friday in August of the same year. A billing submitted after the first Friday in August, which forces the State to process the billing as a stale claim pursuant to NRS 353.097, will subject the Contractor to an administrative fee not to exceed one hundred dollars (\$100.00). The parties hereby agree this is a reasonable estimate of the additional costs to the State of processing the billing as a stale claim and that this amount will be deducted from the stale claim payment due to the Contractor.

9. INSPECTION & AUDIT.

- a. Books and Records. Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.
- b. Inspection & Audit. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by the State Auditor, the relevant state agency or its contracted examiners, the Department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the State Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this paragraph.
- c. Period of Retention. All books, records, reports, and statements relevant to this Contract must be retained a minimum three (3) years, and for five (5) years if any federal funds are used pursuant to the Contract. The retention period runs from the date of payment for the relevant goods or services by the State, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

10. CONTRACT TERMINATION.

- a. Termination Without Cause. Any discretionary or vested right of renewal notwithstanding, this Contract may be terminated upon written notice by mutual consent of both parties, or unilaterally by either party without cause.
- b. State Termination for Non-appropriation. The continuation of this Contract beyond the current biennium is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the State Legislature and/or federal sources. The State may terminate this Contract, and Contractor waives any and all claim(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the Contracting Agency's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired.
- c. Cause Termination for Default or Breach. A default or breach may be declared with or without termination. This Contract may be terminated by either party upon written notice of default or breach to the other party as follows:
 - i. If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or
 - ii. If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or
 - iii. If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or
 - iv. If the State materially breaches any material duty under this Contract and any such breach impairs Contractor's ability to perform; or
 - v. If it is found by the State that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the State of Nevada with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or
 - vi. If it is found by the State that Contractor has failed to disclose any material conflict of interest relative to the performance of this Contract.
- d. Time to Correct. Termination upon a declared default or breach may be exercised only after service of formal written notice as specified in paragraph four (4), and the subsequent failure of the defaulting party within fifteen (15) calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared default or breach has been corrected.
- e. Winding Up Affairs Upon Termination. In the event of termination of this Contract for any reason, the parties agree that the provisions of this paragraph survive termination:
 - i. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

- ii. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by the Contracting Agency;
- iii. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by the Contracting Agency;
- iv. Contractor shall preserve, protect and promptly deliver into State possession all proprietary information in accordance with paragraph twenty-one (21).

11. **REMEDIES.** Except as otherwise provided for by law or this Contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation one hundred and twenty-five dollars (\$125.00) per hour for State-employed attorneys. The State may set off consideration against any unpaid obligation of Contractor to any State agency in accordance with NRS 353C.190.

12. **LIMITED LIABILITY.** The State will not waive and intends to assert available NRS chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Liquidated damages shall not apply unless otherwise specified in the incorporated attachments. Damages for any State breach shall never exceed the amount of funds appropriated for payment under this Contract, but not yet paid to Contractor, for the fiscal year budget in existence at the time of the breach. Damages for any Contractor breach shall not exceed one hundred and fifty percent (150%) of the contract maximum "not to exceed" value. Contractor's tort liability shall not be limited.

13. **FORCE MAJEURE.** Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases.

14. **INDEMNIFICATION.** To the fullest extent permitted by law Contractor shall indemnify, hold harmless and defend, not excluding the State's right to participate, the State from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of Contractor, its officers, employees and agents.

15. **INDEPENDENT CONTRACTOR.** Contractor is associated with the State only for the purposes and to the extent specified in this Contract, and in respect to performance of the contracted services pursuant to this Contract, Contractor is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for the State whatsoever with respect to the indebtedness, liabilities, and obligations of Contractor or any other party. Contractor shall be solely responsible for, and the State shall have no obligation with respect to: (1) withholding of income taxes, FICA or any other taxes or fees; (2) industrial insurance coverage; (3) participation in any group insurance plans available to employees of the State; (4) participation or contributions by either Contractor or the State to the Public Employees Retirement System; (5) accumulation of vacation leave or sick leave; or (6) unemployment compensation coverage provided by the State. Contractor shall indemnify and hold State harmless from, and defend State against, any and all losses, damages, claims, costs, penalties, liabilities, and expenses arising or incurred because of, incident to, or otherwise with respect to any such taxes or fees. Neither Contractor nor its employees, agents, nor representatives shall be considered employees, agents, or representatives of the State. The State and Contractor shall evaluate the nature of services and the term of the Contract negotiated in order to determine "independent contractor" status, and shall monitor the work relationship throughout the term of the Contract to ensure that the independent contractor relationship remains as such. To assist in determining the appropriate status (employee or independent contractor), Contractor represents as follows:

16. **INSURANCE SCHEDULE.** Unless expressly waived in writing by the State, Contractor, as an independent contractor and not an employee of the State, must carry policies of insurance and pay all taxes and fees incident hereunto. Policies shall meet the terms and conditions as specified within this Contract along with the additional limits and provisions as described in Attachment BB, incorporated hereto by attachment. The State shall have no liability except as specifically provided in the Contract.

The Contractor shall not commence work before:

- 1) Contractor has provided the required evidence of insurance to the Contracting Agency of the State, and
- 2) The State has approved the insurance policies provided by the Contractor.

Prior approval of the insurance policies by the State shall be a condition precedent to any payment of consideration under this Contract and the State's approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this Contract. Any failure of the State to timely approve shall not constitute a waiver of the condition.

Insurance Coverage: The Contractor shall, at the Contractor's sole expense, procure, maintain and keep in force for the duration of the Contract insurance conforming to the minimum limits as specified in Attachment BB, incorporated hereto by attachment. Unless specifically stated herein or otherwise agreed to by the State, the required insurance shall be in effect prior to the commencement of work by the Contractor and shall continue in force as appropriate until:

1. Final acceptance by the State of the completion of this Contract; or
 2. Such time as the insurance is no longer required by the State under the terms of this Contract;
- Whichever occurs later.

Any insurance or self-insurance available to the State shall be in excess of, and non-contributing with, any insurance required from Contractor. Contractor's insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by the State, Contractor shall provide the State with renewal or replacement evidence of insurance no less than thirty (30) days before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by the Contract, an insurer or surety shall fail to comply with the requirements of this Contract, as soon as Contractor has knowledge of any such failure, Contractor shall immediately notify the State and immediately replace such insurance or bond with an insurer meeting the requirements.

General Requirements:

- a. **Additional Insured:** By endorsement to the general liability insurance policy evidenced by Contractor, the State of Nevada, its officers, employees and immune contractors as defined in NRS 41.0307 shall be named as additional insureds for all liability arising from the Contract.
- b. **Waiver of Subrogation:** Each insurance policy shall provide for a waiver of subrogation against the State of Nevada, its officers, employees and immune contractors as defined in NRS 41.0307 for losses arising from work/materials/equipment performed or provided by or on behalf of the Contractor.
- c. **Cross-Liability:** All required liability policies shall provide cross-liability coverage as would be achieved under the standard ISO separation of insureds clause.
- d. **Deductibles and Self-Insured Retentions:** Insurance maintained by Contractor shall apply on a first dollar basis without application of a deductible or self-insured retention unless otherwise specifically agreed to by the State. Such approval shall not relieve Contractor from the obligation to pay any deductible or self-insured retention. Any deductible or self-insured retention shall not exceed fifty thousand dollars (\$50,000.00) per occurrence, unless otherwise approved by the Risk Management Division.
- e. **Policy Cancellation:** Except for ten (10) days notice for non-payment of premium, each insurance policy shall be endorsed to state that without thirty (30) days prior written notice to the State of Nevada, c/o Contracting Agency, the policy shall not be canceled, non-renewed or coverage and /or limits reduced or materially altered, and shall provide that notices required by this paragraph shall be sent by certified mailed to the address shown on page one (1) of this contract:
- f. **Approved Insurer:** Each insurance policy shall be:

- 1) Issued by insurance companies authorized to do business in the State of Nevada or eligible surplus lines insurers acceptable to the State and having agents in Nevada upon whom service of process may be made; and
- 2) Currently rated by A.M. Best as "A-VII" or better.

Evidence of Insurance:

Prior to the start of any Work, Contractor must provide the following documents to the contracting State agency:

1) **Certificate of Insurance:** The Acord 25 Certificate of Insurance form or a form substantially similar must be submitted to the State to evidence the insurance policies and coverages required of Contractor. The certificate must name the State of Nevada, its officers, employees and immune contractors as defined in NRS 41.0307 as the certificate holder. The certificate should be signed by a person authorized insurer to bind coverage on its behalf. The state project/contract number; description and contract effective dates shall be noted on the certificate, and upon renewal of the policies listed Contractor shall furnish the State with replacement certificates as described within Insurance Coverage, section noted above.

Mail all required insurance documents to the State Contracting Agency identified on page one of the contract.

2) **Additional Insured Endorsement:** An Additional Insured Endorsement (CG 20 10 11 85 or CG 20 26 11 85) , signed by an authorized insurance company representative, must be submitted to the State to evidence the endorsement of the State as an additional insured per **General Requirements**, subsection a above.

3) **Schedule of Underlying Insurance Policies:** If Umbrella or Excess policy is evidenced to comply with minimum limits, a copy of the Underlyer Schedule from the Umbrella or Excess insurance policy may be required.

Review and Approval: Documents specified above must be submitted for review and approval by the State prior to the commencement of work by Contractor. Neither approval by the State nor failure to disapprove the insurance furnished by Contractor shall relieve Contractor of Contractor's full responsibility to provide the insurance required by this Contract. Compliance with the insurance requirements of this Contract shall not limit the liability of Contractor or its sub-contractors, employees or agents to the State or others, and shall be in addition to and not in lieu of any other remedy available to the State under this Contract or otherwise. The State reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

17. **COMPLIANCE WITH LEGAL OBLIGATIONS.** Contractor shall procure and maintain for the duration of this Contract any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract. Contractor will be responsible to pay all taxes, assessments, fees, premiums, permits, and licenses required by law. Real property and personal property taxes are the responsibility of Contractor in accordance with NRS 361.157 and NRS 361.159. Contractor agrees to be responsible for payment of any such government obligations not paid by its subcontractors during performance of this Contract. The State may set-off against consideration due any delinquent government obligation in accordance with NRS 353C.190.

18. **WAIVER OF BREACH.** Failure to declare a breach or the actual waiver of any particular breach of the Contract or its material or nonmaterial terms by either party shall not operate as a waiver by such party of any of its rights or remedies as to any other breach.

19. **SEVERABILITY.** If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

20. **ASSIGNMENT/DELEGATION.** To the extent that any assignment of any right under this Contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this Contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by State, such offending portion of the assignment shall be void, and shall be a breach of this Contract. Contractor shall neither assign, transfer nor delegate any rights, obligations nor duties under this Contract without the prior written consent of the State.

21. **STATE OWNERSHIP OF PROPRIETARY INFORMATION.** Any reports, histories, studies, tests, manuals, instructions, photographs, negatives, blue prints, plans, maps, data, system designs, computer code (which is intended to be consideration under the Contract), or any other documents or drawings, prepared or in the course of preparation by Contractor (or its subcontractors) in performance of its obligations under this Contract shall be the exclusive property of the State and all such materials shall be delivered into State possession by Contractor upon completion, termination, or cancellation of this Contract. Contractor shall not use, willingly allow, or cause to have such materials used for any purpose other than performance of Contractor's obligations under this Contract without the prior written consent of the State.
